QUESTIONS AND ANSWERS ABOUT THE 2016 ANNUAL MEETING AND VOTING

Q: Why did I receive this proxy statement?

A: The Company is soliciting your proxy vote at the 2016 Annual Meeting because you owned of record one or more shares of common stock of the Company at the close of business on Tuesday, March 15, 2016, the record date for the 2016 Annual Meeting, and are therefore entitled to vote at the 2016 Annual Meeting.

Q: What is a proxy?

A: A proxy is your legal designation of another person or persons (the "proxy" or "proxies," respectively) to vote on your behalf. By completing and returning the enclosed proxy card, you are giving Marc H. McConnell and David R. Castle, the proxies, the authority to vote your shares of common stock at the 2016 Annual Meeting in the manner you indicate on your proxy card. If you sign and return your proxy card, but do not give direction with respect to any nominee or other proposal, the proxies will vote your shares as recommended by the Board of Directors. The proxies are authorized to vote in their discretion if other matters are properly submitted at the 2016 Annual Meeting, or any adjournments thereof.

Q: When and where is the 2016 Annual Meeting?

A: The 2016 Annual Meeting will be held on Wednesday, April 27, 2016, at the offices of the Company, located at 5556 Highway 9, Armstrong, Iowa, 50514-0288. Registration for the meeting will begin at approximately 9:45 a.m. CT. The 2016 Annual Meeting will commence at approximately 10:00 a.m. CT.

Q: What am I voting on?

A: You are voting on the following matters

- **Proposal 1** — The election of the five (5) directors named in this Proxy Statement;
- **Proposal 2** — The ratification of the appointment of Eide Bailly LLP as the Company's independent registered public accountant for the 2016 fiscal year; and
- **Proposal 3** — The approval, by a non-binding vote, of named executive officer compensation.

Q: What does the Board recommend?

A: The Board recommends a vote:

- **FOR** — the election of the five (5) directors named in this Proxy Statement;
- **FOR** — the ratification of the appointment of Eide Bailly LLP as the Company's independent registered public accountant for the 2016 fiscal year; and
- **FOR** — the approval, by a non-binding vote, of named executive officer compensation.

Q: How many votes do I have?

A: On any matter which may properly come before the 2016 Annual Meeting, each stockholder entitled to vote thereon will have one (1) vote for each share of common stock owned of record by such stockholder as of the close of business on Tuesday, March 15, 2016.

Q: How many shares of common stock may vote at the 2016 Annual Meeting?

A: At the close of business on Tuesday, March 15, 2016, there were 4,100,052 outstanding shares of common stock. This means that there may be 4,100,052 votes on any matter presented at the 2016 Annual Meeting.

Q: What vote is required to approve each of the Proposals?

A: Proposal 1— Election of Directors — With respect to the election of directors, the five (5) nominees receiving the greatest number of votes relative to the votes cast for the other nominees will be elected, regardless of whether an individual nominee receives votes from a majority of the quorum of shares represented (in person or by proxy) at the 2016 Annual Meeting and entitled to vote on the proposal. Although directors are elected by plurality vote, the presence (in person or by proxy) of stockholders representing an aggregate of at least a majority of the issued and outstanding shares of common stock is required to constitute a quorum for the election of directors.

Proposal 2 — Independent Registered Public Accountant Firm — Provided a quorum of at least a majority of the issued and outstanding shares of common stock is present (in person or by proxy), the affirmative vote of the holders of a majority of the shares of common stock represented at the 2016 Annual Meeting (whether in person or by proxy) and entitled to vote on the proposal will result in the stockholders' ratification of the appointment of Eide Bailly LLP as the Company's independent registered public accountant for the 2016 fiscal year.

Proposal 3 — Approval, by a Non-Binding Vote, of Named Executive Officer Compensation — Provided a quorum of at least a majority of the issued and outstanding shares of common stock is present (in person or by proxy), the affirmative vote of the holders of a majority of the shares of common stock represented at the 2016 Annual Meeting (whether in person or by proxy) and entitled to vote on the proposal will result in the approval of the compensation of our named executive officer. However, this is an advisory vote, which means that the result of the vote is not binding on the Company, our Board of Directors or the Compensation Committee. To the extent there is any significant vote against our named executive officer compensation as disclosed in this proxy statement, the Compensation Committee will evaluate whether any actions are necessary to address the concerns of stockholders.

Q: Do stockholders have cumulative voting rights?

A: Stockholders do not have cumulative voting rights with respect to the election of directors or any other matter, which means that stockholders will not be able to cast all of their votes for a single director nominee. The cumulative voting method would entitle a stockholder to multiply the number of shares owned of record by such stockholder by the number of director positions being voted upon and then cast a number of votes equal to such total for only one nominee. Instead, stockholders will only be able to cast one vote per share owned of record for each director nominee

(up to seven nominees) at the 2016 Annual Meeting. Accordingly, a holder of 100 shares will only be able to cast 100 shares for each nominee (up to the number of directorships up for election) and will not instead be able to cast 700 shares for a single nominee (or distribute votes in any other manner).

Q: What constitutes a quorum?

A: Transaction of business may occur at the 2016 Annual Meeting if a quorum is present. The presence in person or by proxy of stockholders holding at least a majority of the issued and outstanding shares of common stock is required to constitute a quorum. On Tuesday, March 15, 2016, the Company had 4,100,052 issued and outstanding shares of common stock and, therefore, the presence of 2,050,027 shares will constitute a quorum for the transaction of business at the 2016 Annual Meeting. If you submit a proxy or vote in person at the meeting, your shares will be counted in determining whether a quorum is present at the 2016 Annual Meeting. Broker non-votes and abstentions are also counted for the purpose of determining a quorum, as discussed below.

Q: What is the effect of abstentions and withhold votes?

A: You may either vote FOR or WITHHOLD authority to vote for each nominee for the Board of Directors (Proposal 1). If you withhold authority to vote on any or all nominees, your vote will have no effect on the outcome of the election. You may vote FOR, AGAINST or ABSTAIN on Proposals 2 and 3. If you abstain from voting on either of these proposals, your shares will be deemed present but will not be deemed to have voted in favor of the proposal. An abstention therefore has the same effect as a vote against the proposal.

If you just sign and submit your proxy card without voting instructions, your shares will be voted FOR each director nominee and FOR Proposals 2 and 3.

Q: What is the effect of broker non-votes?

A: Shares that are held by stock brokers in “street name” may be voted by the stock broker on “routine” matters, such as ratification of our independent registered public accountant. To vote on “non-routine” matters, the stock broker must obtain stockholder direction. When the stock broker does not vote the shares, the stock broker’s abstention is referred to as a “broker non-vote.”

Broker non-votes will be considered present for quorum purposes at the 2016 Annual Meeting. Brokers do not have discretion to vote shares for the election of directors, for the advisory vote on named executive officer compensation, or for any other non-routine matters that may be brought before the meeting. Accordingly, if your shares are held in street name and you do not submit voting instructions to your broker, your shares will not be voted for these proposals. Broker non-votes in connection with the election of directors are not deemed “votes cast,” and, since directors are elected by a plurality, will have no effect on the election. The shares underlying broker non-votes in connection with the vote on named executive officer compensation will not be deemed entitled to vote and, therefore, these broker non-votes will have no effect on the outcome of this proposal.

Brokers will have discretion to vote on the ratification of Eide Bailly LLP as the Company’s independent registered public accountant for the 2016 fiscal year if you do not provide voting instructions.

For any other business matters that may be brought before the meeting, the affirmative vote of a majority of the shares of the Company’s common stock present in person or by proxy at the 2016 Annual Meeting and entitled to vote on the proposal is required to pass the proposal. Broker non-votes will be counted as present for quorum purposes at the 2016 Annual Meeting, but will not be considered entitled to vote on non-routine matters, and will therefore not be treated as affirmative or opposing votes.

Q: How do I vote my shares?

A: If you are a stockholder of record, you may vote your shares of common stock at the 2016 Annual Meeting using either of the following methods:

- *Proxy Card.* The enclosed proxy card is a means by which a stockholder may authorize the voting of his, her, its or their shares of common stock at the 2016 Annual Meeting. The shares of common stock represented by each properly executed proxy card will be voted at the 2016 Annual Meeting in accordance with the stockholder’s directions. The Company urges you to specify your choices by marking the appropriate boxes on the enclosed proxy card. After you have marked your choices, please sign and date the

proxy card and mail the proxy card to the Company's stock transfer agent, American Stock Transfer and Trust Company, in the enclosed envelope. If you sign and return the proxy card without specifying your choices, your shares will be voted FOR the Board of Director's nominees for directors; FOR the ratification of the appointment of Eide Bailly LLP as the Company's independent public accountant for the 2016 fiscal year; and FOR the approval, by a non-binding vote, of named executive officer compensation.

- *In person at the 2016 Annual Meeting.* All stockholders of record as of Tuesday, March 15, 2016 may vote in person at the 2016 Annual Meeting. Even if you plan to attend the 2016 Annual Meeting, we recommend that you submit your proxy card ahead of time so that your vote can be counted if you later decide not to attend.

You are a "beneficial owner" of shares held in "street name," rather than a "stockholder of record," if your shares are held in the name of a stock broker, bank, trust or other nominee as a custodian, and this Proxy Statement and the accompanying Notice were forwarded to you by that organization. As a beneficial owner, you have the right to direct your stock broker, bank, trust or other nominee how to vote your shares. You may vote by proxy by completing the voting instruction form provided by your custodian. Since a beneficial owner is not the stockholder of record, you may not vote your shares in person at the 2016 Annual Meeting unless you obtain a "legal proxy" from the broker, bank, trustee, or nominee that holds your shares giving you the right to vote the shares at the meeting.

Q: Can I change my vote after I have mailed in my proxy card?

A: Proxies solicited by the Board of Directors may be revoked at any time prior to the 2016 Annual Meeting. No specific form of revocation is required. You may revoke your proxy by:

- Voting in person at the 2016 Annual Meeting;
- Returning a later-dated signed proxy card; or
- Giving personal or written notice of the revocation to the Company's President and Chief Executive Officer, Carrie Majeski, at the commencement of the 2016 Annual Meeting.

If your shares are held in "street name" through a broker or other nominee, you will need to contact that nominee if you wish to change your voting instructions.

Q: How will my shares be voted if I do not specify how they should be voted or if I vote for too few or too many choices on the proxy card?

A: If you are a record holder and do not mark any choices for the election of directors on the proxy card, then the proxies solicited by the Board of Directors will be voted FOR the nominees recommended for election by the Board of Directors. You may wish to vote for less than five (5) director candidates. In such case, your shares will only be voted for the director candidate(s) you have selected. If you mark contradicting choices on the proxy card, such as both FOR and WITHHOLD for a director candidate, your shares will not be voted with respect to the director candidate for which you marked contradicting choices.

If you are a record holder and do not mark a choice with respect to the approval of any proposal other than the election of directors, then the proxies solicited by the Board of Directors will be voted FOR the approval of Proposals 2 and 3. If you mark contradicting choices on your proxy card, such as a mark both FOR and AGAINST the approval of a proposal, then your shares will not be counted either for or against the proposal for which you have marked contradicting choices.

If you are a street name holder and do not submit specific voting instructions to your broker, the organization that holds your shares may generally vote your shares with respect to "routine" items, but not with respect to "non-routine" items. On non-routine items for which you do not submit specific voting instructions to your broker, the shares will be treated as "broker non-votes." Broker non-votes will be counted for purposes of determining whether a quorum is present. The proposal to ratify the appointment of Eide Bailly LLP as our independent registered public accountant is considered routine and therefore may be voted upon by your broker if you do not give instructions to your broker. However, brokers will not have discretion to vote your shares on the election of directors or the advisory vote on named executive officer compensation. Accordingly, if your shares are held in street name and you do not submit voting instructions to your broker, the broker non-votes will not be considered "votes cast" for purposes of determining the outcome of the election of director nominees and will have no effect on the outcome of the election. Similarly, the shares underlying broker non-votes on Proposal 3 will not be considered entitled to vote and will have no effect on the outcome of this proposal.

Q: Who can attend the 2016 Annual Meeting?

A: All stockholders of record as of the close of business on Tuesday, March 15, 2016, may attend the 2016 Annual Meeting. If you are not a stockholder of record but hold shares through a broker, bank, trustee, or other nominee as custodian (i.e., in street name), we may request proof of your beneficial ownership as of the record date, such as an account statement, a copy of the voting instruction card provided by your custodian, a “legal proxy” provided by your custodian, or other similar evidence of ownership.

Q: What is the record date for the 2016 Annual Meeting?

A: The Board of Directors has fixed Tuesday, March 15, 2016, as the record date.

Q: Who will count the votes?

A: All proxies submitted to the Company will be tabulated by our stock transfer agent, American Stock Transfer and Trust Company. All shares voted by stockholders of record present in person at the 2016 Annual Meeting will be tabulated by our Chief Financial Officer.

Q: Who is paying for this proxy solicitation?

A: The entire cost of this proxy solicitation will be borne by the Company. The cost will include the cost of supplying necessary additional copies of the solicitation materials for beneficial owners of shares held of record by brokers, dealers, banks and voting trustees and their nominees and, upon request, the reasonable expenses of such record holders for completing the mailing of such materials to such beneficial owners. Our directors, executive officers and employees may, without compensation other than their regular remuneration, solicit proxies personally or by telephone.

Q: How do I nominate a candidate for election as a director at next year’s Annual Meeting?

A: You may recommend a candidate for nomination by the Board of Directors at the 2017 Annual Meeting by following the procedures explained below in this Proxy Statement under the caption “CORPORATE GOVERNANCE - Selection of Director Nominees” and contained in the rules and regulations of the Securities and Exchange Commission (the “SEC”). You may directly nominate a candidate for election at the 2017 Annual Meeting by following the procedures explained below in response to the question “When are stockholder proposals and director nominations due for the 2017 Annual Meeting?”

Q: What is a stockholder proposal?

A: A stockholder proposal is your recommendation or requirement that the Company and/or the Board of Directors take action, which you intend to present at a meeting of the stockholders. Your proposal should state as clearly as possible the course of action that you believe the Company should follow. If your proposal is included in the Company’s proxy statement, then the Company must also provide the means for stockholders to vote on the matter via the proxy card. The deadlines and procedures for submitting stockholder proposals for the 2017 Annual Meeting are explained in the following question and answer. The Company reserves the right to reject, rule out of order, or take appropriate action with respect to any proposal that does not comply with these and other applicable requirements.

Q: When are stockholder proposals and director nominations due for the 2017 Annual Meeting?

A: In order to be considered for inclusion in next year’s proxy statement, stockholder proposals must be submitted in writing to the Company no later than November 29, 2016 (approximately 120 days prior to the one year anniversary of the mailing of this Proxy Statement). The Company suggests that proposals for the 2017 Annual Meeting of Stockholders be submitted by certified mail, return receipt requested. The proposal must be in accordance with the provisions of Rule 14a-8 promulgated by the SEC under the Securities Exchange Act of 1934, as amended.

Stockholders who intend to present a proposal or director nomination at the 2017 Annual Meeting of Stockholders without including such proposal or nomination in the Company’s proxy statement must, pursuant to the Company’s Bylaws, deliver to the Company notice of such proposal no earlier than January 27, 2017 (approximately 90 days prior to the one year anniversary of this year’s meeting) and no later than February 27, 2017 (approximately 60 days prior to the one year anniversary of this year’s meeting). The Company reserves the right to reject, rule out of order,

or take appropriate action with respect to any proposal that does not comply with these and other applicable requirements.

If a stockholder proposal intended to be submitted to the 2017 Annual Meeting of Stockholders does not comply, as determined in the Chairman's discretion, with the timeframes and other procedures established by the Company's Bylaws, the proposal will be disregarded.

PROPOSALS TO BE VOTED UPON

PROPOSAL 1

ELECTION OF DIRECTORS

The Board of Directors (the "Board") is currently composed of seven (7) directors. Mr. James Lynch and Mr. Douglas McClellan have decided to retire from the Company's Board upon expiration of their current terms and are not standing for reelection at the 2016 Annual Meeting. Accordingly, five (5) directors will be elected at the 2016 Annual Meeting to hold office until the 2017 Annual Meeting of Stockholders and until the election of their successors, or until their earlier resignation or removal. Proxies cannot be voted for a greater number of persons than the number of nominees named. All five (5) of the nominees named herein are presently serving as members of the Board. The Company has no reason to believe that any of the director nominees named below will be unable or unwilling to serve as director if elected. If for any reason any nominee withdraws or is unable to serve as director (neither of which is expected at this time), the shares represented by all valid proxies will be voted for the election of a substitute nominee recommended by the Board or the Board may reduce the size of the Board.

The five (5) nominees receiving the greatest number of affirmative votes cast will be elected as directors. Except as otherwise directed on the proxy cards, the proxies will vote all valid proxies for the seven nominees identified below.

Mr. Dancy was appointed to the Company's Audit Committee in January 2013. Among other attributes, skills, and qualifications, the Board believes Mr. Dancy will make valuable contributions as a director because his experience allows him to analyze the competitive positions of small public companies, national and global trends in the agricultural sector, as well as legal and regulatory developments that may impact the agricultural/biofuel industries.

Required Vote and Board Recommendation

If a quorum is present, the affirmative vote of a plurality of the shares of common stock present at the 2016 Annual Meeting, represented in person or by proxy, and entitled to vote on the matter is required to elect a nominee to the position of director. The five (5) nominees receiving the greatest number of affirmative votes will be elected as directors.

THE BOARD HAS DETERMINED THAT EACH NOMINEE IS QUALIFIED TO SERVE AS A DIRECTOR AND RECOMMENDS A VOTE "FOR" THE ELECTION OF ITS NOMINEES FOR DIRECTORS.

PROPOSAL 2

The following table presents fees for professional services billed by Eide Bailly LLP to the Company for the audit of the Company's annual financial statements, the review of the Company's interim financial statements, and related services for the fiscal years ended November 30, 2015, and November 30, 2014.

The Audit Committee pre-approved the engagement of Eide Bailly LLP as the Company's principal independent registered public accountant to perform audit services for the Company. The Audit Committee pre-approves all auditing services and permitted non-audit services, including the fees and terms of those services, to be performed for the Company by its independent auditor prior to engagement. One hundred percent (100%) of the services referenced above were pre-approved by our Audit Committee.

Required Vote and Board Recommendation

If a quorum is present, the affirmative vote of the stockholders holding a majority of the shares of common stock represented at the 2016 Annual Meeting, whether in person or by proxy, and entitled to vote on the matter is required to ratify the selection of the independent public accountant.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" THE RATIFICATION OF THE APPOINTMENT OF EIDE BAILLY LLP AS THE COMPANY'S INDEPENDENT REGISTERED PUBLIC ACCOUNTANT.

PROPOSAL 3

APPROVAL, ON AN ADVISORY BASIS, OF NAMED EXECUTIVE OFFICER COMPENSATION

The Dodd-Frank Wall Street Reform and Consumer Protection Act and Section 14A of the Exchange Act requires that the Company provide its stockholders with the opportunity to vote to approve, on a non-binding and advisory basis, the compensation of our named executive officers as disclosed in this proxy statement in accordance with the compensation disclosure rules of the SEC. In accordance with the preference of our stockholders, as expressed in a non-binding advisory vote on the frequency of advisory votes on executive compensation at the 2013 annual stockholder meeting, the Company has determined to hold annual advisory votes on the compensation of named executive officers.

We seek to closely align the interests of our named executive officers with the interests of our stockholders. We designed our compensation program to reward our named executive officers for individual performance and contributions to our overall business objectives and for achieving and surpassing the financial goals set by our Compensation Committee and our Board.

The vote on this resolution is not intended to address any specific element of compensation. Instead, the vote relates to the overall compensation of our named executive officers, as described in this proxy statement, in accordance with the compensation disclosure rules of the SEC.

Accordingly, we ask our stockholders to vote on the following resolution at the 2016 Annual Meeting:

“RESOLVED, that the Company’s stockholders approve, on an advisory basis, the compensation of the named executive officers, as disclosed in the Company’s Proxy Statement for the 2016 Annual Meeting of Stockholders pursuant to the compensation disclosure rules of the Securities and Exchange Commission, including the summary compensation table and the other related tables and disclosure.”

While the Board and especially the Compensation Committee intend to carefully consider the results of the voting on this proposal when making future decisions regarding executive compensation, the vote is not binding on the Company or the Board and is advisory in nature. To the extent there is any significant vote against the compensation of our named executive officers in this Proposal 3, the Compensation Committee will evaluate what actions may be necessary to address our stockholders’ concerns.

Required Vote and Board Recommendation

If a quorum is present, the affirmative vote of the stockholders holding a majority of the shares of common stock represented at the 2016 Annual Meeting, whether in person or by proxy, and entitled to vote on the matter is required to approve the compensation of the named executive officers. This vote is advisory and is not binding on the Company, the Board, or the Compensation Committee.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE “FOR” THE APPROVAL OF THE COMPENSATION OF THE NAMED EXECUTIVE OFFICERS.

OTHER INFORMATION

CORPORATE GOVERNANCE

Our Board currently has seven (7) members: Thomas E. Buffamante, David R. Castle, Joseph R. Dancy, James Lynch, Douglas McClellan, J. Ward McConnell, Jr. and Marc H. McConnell. Mr. James Lynch and Mr. Douglas McClellan have decided to retire immediately prior to the 2016 Annual Meeting and are not standing for reelection to the Board. Pursuant to the Company’s Bylaws, the Board has set the size of the Board at five (5) directors as of the 2016 Annual Meeting. All of our directors are “independent” within the definition provided by NASDAQ Rule 5605, with the exception of Marc H. McConnell and J. Ward McConnell, Jr. The Board has determined that Marc H. McConnell and J. Ward McConnell, Jr. are not independent due to their receipt of payments from the Company as compensation for services they provided as Chairman of the Board and Vice Chairman of the Board, respectively. In considering the independence of Marc H. McConnell and J. Ward McConnell, Jr., the Board also considered the family relationship between Marc H. McConnell and J. Ward McConnell, Jr.; that Art’s-Way Vessels, Inc. made sales of pressure vessels to Adamson Global Technology, an entity to which Marc H. McConnell serves as vice president and which is the subsidiary of McConnell Holdings, Inc. (owned by J. Ward McConnell with Marc McConnell as the vice chairman); and J. Ward McConnell, Jr.’s beneficial ownership of 37.9% of the Company’s securities.

The Board held four (4) meetings during the 2015 fiscal year. Each director attended 100% of the total number of Board meetings held while the director served during the 2015 fiscal year and the total number of meetings held by all committees of the Board on which the director served during the 2015 fiscal year. The Board encourages all directors to attend the Company's annual meetings, but does not have a formal attendance policy. The Company's last annual meeting of stockholders held on April 22, 2015 was attended by all of our directors.

The Board has an Audit Committee established in accordance with section 3(a)(58)(A) of the Exchange Act, and a Compensation Committee. The Board as a whole functions as the Company's Nominating and Governance Committee, although director nominees are recommended by our independent directors without participation of the non-independent directors.

The Board's Role in Risk Oversight

It is management's responsibility to manage risk and bring to the Board's attention the most material risks to the Company. The Board has oversight responsibility of the processes established to report and monitor systems for material risks applicable to the Company. The Audit Committee provides oversight of management with respect to enterprise-wide risk management, which focuses primarily on risks relating to commodity pricing (such as steel), the Company's ability to maintain appropriate levels of credit and insurance coverage, and financial and accounting, legal and compliance risks, including oversight of inventory accounting and other internal controls over financial reporting. In addition, the Compensation Committee considers risks related to the attraction and retention of talent and risks relating to the design of compensation programs and arrangements. The Compensation Committee reviews compensation and benefits plans affecting all employees, including the executive officers. We have determined that it is not reasonably likely that our compensation and benefit plans create risks that would have a material adverse effect on the Company. The full Board considers strategic risks and opportunities and regularly receives detailed reports from management and the committees with respect to their areas of responsibility for risk oversight.

Board Leadership Structure

We separate the roles of Chief Executive Officer and Chairman of the Board in recognition of the differences between the two roles. The Chief Executive Officer is responsible for the day to day leadership and performance of the Company, while Marc H. McConnell, as the Chairman of the Board, provides guidance to the Chief Executive Officer; sets the strategic direction for the Company; sets the agenda for Board meetings; and presides over meetings of the full Board. The Board has designated J. Ward McConnell, Jr., prior Chairman of the Board, as Vice Chairman of the Board to assist with transition of the Chairman position.

Because the Board has determined that neither our Chairman of the Board nor Vice Chairman of the Board satisfy the definition of "independence" as set forth in NASDAQ Rule 5605, the Board appointed director Thomas Buffamante to serve as "presiding director" over all executive sessions of independent directors which are required under NASDAQ rules.

Code of Ethics

The Company has adopted a Code of Ethics (the "Code"), which is applicable to all directors, officers and employees of the Company. The Code covers all areas of professional conduct, including customer and supplier relationships, conflicts of interest, insider trading, confidential information, accuracy of company records, public disclosures, contact with government officials, and workplace behavior. It requires strict adherence to all laws and regulations applicable to our business. On January 28, 2016, our Board updated our Code of Ethics to clarify that Company may host political candidates at its facilities if approved in advance by our Chairman and our Chief Executive Officer; elaborate on our policies and procedures for the receipt, retention and treatment of complaints received under the Code of Ethics; clarify Company expectations regarding Company representatives' behavior in the workplace and external communications which may impact the Company; expand on certain sections of the Code of Ethics such as those pertaining to compliance with laws, including trade restrictions and export controls; and clarify certain administrative matters. Persons who are subject to the Code are required to bring any violations and suspected violations of the Code to the Company's attention, through their supervisor, management, outside legal counsel, or confidential communication with the Chairman of the Audit Committee.

The Code of Ethics is posted to our website at <http://www.artsway-mfg.com/corporate-governance/>. We intend to include on our website, within the time period required by Form 8-K, any amendment to, or waiver from, a provision of our Code of Ethics that applies to our principal executive officer, principal financial officer, principal accounting officer, controller, or persons performing similar functions, that relates to any element of the Code of Ethics definition enumerated in Item 406(b) of Regulation S-K.

Audit Committee

The principal functions of the Audit Committee are to evaluate and review the Company's financial reporting process and systems of internal controls. The Audit Committee evaluates the independence of the Company's independent auditor, recommends selection of the Company's independent auditor to the Board, approves fees to be paid to our independent auditor, and reviews the Company's financial statements with management and the independent auditor. The Audit Committee has recommended to the Board the appointment of Eide Bailly LLP to serve as the Company's independent auditor for the 2016 fiscal year.

The Audit Committee operates under a written charter, which is available on our website at <http://www.artsway-mfg.com/corporategovernance/>. Under the charter, the Audit Committee must be comprised of not less than three members of the Board and its composition must otherwise satisfy NASDAQ requirements applicable to audit committees. During the 2015 fiscal year, the members of the Audit Committee were Thomas E. Buffamante (Chairman), Douglas McClellan, and Joseph R. Dancy. Following the resignation from the Board by Douglas McClellan, the Audit Committee will consist of Thomas E. Buffamante (Chairman), David R. Castle, and Joseph R. Dancy. The Board has determined that all current and proposed members of the Audit Committee are independent under the definition of "independence" provided by NASDAQ Rule 5605 and Rule 10A-3 of the Securities Exchange Act of 1934. The Board has also determined that Mr. Buffamante is an "audit committee financial expert" as defined by applicable SEC regulations. The Audit Committee held five (5) meetings during the 2015 fiscal year.

Report of the Audit Committee

The following report of the Audit Committee shall not be deemed to be filed with the SEC or incorporated by reference in any previous or future documents filed by the Company with the SEC under the Securities Act of 1933 or the Securities Exchange Act of 1934, except to the extent that the Company specifically incorporates the reference in any such document.

The Audit Committee reviews the Company's financial reporting process on behalf of the Board. Management has the primary responsibility for the financial statements and the reporting process. The Company's independent registered public accountant is responsible for performing an independent audit of the Company's financial statements and expressing an opinion on the conformity of the audited financial statements to generally accepted accounting principles.

The members of the Audit Committee have reviewed and discussed with management the Company's audited financial statements as of and for the fiscal year ended November 30, 2015. The members of the Audit Committee have discussed with Eide Bailly LLP, the Company's independent auditor, the matters required to be discussed by the statement on Auditing Standards No. 61, as amended (AICPA, Professional Standards, Vol. 1, AU section 380), as adopted by the Public Company Accounting Oversight Board in Rule 3200T. The members of the Audit Committee have received and reviewed the written disclosures and the letter required by applicable requirements of the Public Company Accounting Oversight Board regarding communications with the audit committee concerning independence, and the members of the Audit Committee have discussed with Eide Bailly LLP their independence from management and the Company. The members of the Audit Committee have considered whether the provision of services by Eide Bailly LLP referred to above not related to the audit of the financial statements and the reviews of the interim financial statements included in the Company's Forms 10-Q are compatible with maintaining Eide Bailly LLP's independence, and have determined that they are compatible and do not impact Eide Bailly LLP's independence.

Based on the reviews and discussions referred to above, the Audit Committee recommended to the Board that the audited financial statements referred to above should be included in our Annual Report on Form 10-K accompanying this Proxy Statement and filed with the SEC for the fiscal year ended November 30, 2015.

Compensation Committee

During the 2015 fiscal year, the members of the Compensation Committee were David R. Castle (Chairman), James Lynch, and Douglas McClellan. Following the resignation from the Board by James Lynch and Douglas McClellan, the Compensation Committee will consist of David R. Castle (Chairman) and Joseph R. Dancy. The Board has determined that all current and proposed members of the Compensation Committee are independent within the definition of “independence” provided by NASDAQ Rule 5605 and Rule 10C-1 of the Securities Exchange Act of 1934. The Compensation Committee operates under a written charter, which is available on our website at <http://www.artsway-mfg.com/corporate-governance/>. Under the charter, the Compensation Committee must consist of two or more members of the Board, and each member must meet applicable NASDAQ independence standards.

The Board has authorized the Compensation Committee to review and advise management on a broad range of compensation policies, such as salary ranges and incentive programs for employees although the Company’s Chief Executive Officer is responsible for establishing specific terms of compensation for Company employees who are not subject to Section 16 of the Securities Exchange Act of 1934. The Board retains authority to set director compensation, based on the Compensation Committee’s recommendations. Although the Board administers the Company’s 2011 Equity Incentive Plan, the Compensation Committee remains responsible for recommending to the Board any equity awards to the Company’s Chief Executive Officer and Chief Financial Officer, and the Board may delegate to the Compensation Committee additional administrative duties for the 2011 Equity Incentive Plan in the future. Neither the Compensation Committee nor the Board engages compensation consultants to assist in determining or recommending the amount or form of compensation for executive officers or directors. Executive officers do not have any role in determining or recommending the amount or form of executive officer or director compensation. The Compensation Committee may delegate its responsibilities to subcommittees to the extent permitted by applicable laws and regulations; however, such subcommittees are not permitted to have decision-making authority and are required to report regularly to the full Compensation Committee. The Compensation Committee had two (2) meetings during the 2015 fiscal year.

Nominating and Governance Committee

The Board as a whole performs the functions of a Nominating and Governance Committee. The Board has determined that each of our directors is independent under the definition of “independence” provided by NASDAQ Rule 5605, with the exception of Marc H. McConnell and J. Ward McConnell, Jr. for the reasons identified above. Because the Board consists solely of persons who are neither employees nor officers of the Company and a majority of our directors are independent, the Board does not deem it necessary to have a separate Nominating and Governance Committee. In accordance with NASDAQ requirements, all five (5) of the director nominees for the 2016 Annual Meeting were recommended by a majority of the independent directors without participation of the non-independent directors. The Board met once during the 2015 fiscal year for the purpose of evaluating candidates for director nominees.

The principal purpose of the Board, acting as the Nominating and Governance Committee, is to identify and evaluate qualified individuals for membership on the Board. The Board annually considers the size, composition and needs of the Board in evaluating director candidates and recommends director nominees for election at each annual meeting of stockholders. The Board operates as the Nominating and Governance Committee pursuant to a written charter, which is available on our website at <http://www.artsway-mfg.com/corporate-governance/>.

Selection of Director Nominees

In selecting nominees for directors, the Board, acting as the Company’s Nominating and Governance Committee, will consider all candidates submitted, including incumbent Board members, based upon the qualifications of the candidates, the business and financial experience of the candidates, the experience of the candidates serving on public company boards of directors, and other skill sets deemed appropriate by the Board to enact the mission and business purposes of the Company. Our Criteria and Policies for Director Nominations (the “Nominations Policies”), which were adopted by the Board, acting as the Company’s Nominating and Governance Committee, on July 28, 2009 and are attached as Annex A to the Nominating and Governance Committee Charter. The Nominations Policies specify that directors must have certain minimum qualifications, including the ability to read and understand basic financial statements, familiarity with the Company’s business and industry, high moral character and mature judgment and the ability to work collegially with others.

Diversity is also a factor in evaluating director nominees. The Nominations Policies do not restrict the criteria that the Board may consider when evaluating diversity. The Board typically considers diversity of experience, skill, geographic representation and background as factors in the selection of new director nominees, with the goal of assembling a board of directors with complementary skill sets and viewpoints. The Board has not adopted a standalone diversity policy at this time.

Nominees are not discriminated against on the basis of race, religion, national origin, sexual orientation, disability or any other basis proscribed by law.

Currently, the Company does not engage any third parties, for a fee or otherwise, to identify or evaluate potential nominees. The Board will consider director candidates recommended by holders of the Company's common stock on the same basis as any other candidate submitted for consideration as a nominee. No nominations for candidates were received from any holders of common stock for the 2016 Annual Meeting.

In order for a candidate to be considered for nomination by the Board, a stockholder must submit to the attention of the Chief Executive Officer of the Company a written recommendation that contains the following information:

- (1) the full name and address of the stockholder or group submitting the recommendation;
- (2) the number of shares of common stock of the Company owned by the stockholder or group submitting the recommendation, and the date such shares were acquired;
- (3) the full name and address of the director nominee;
- (4) the age of the director nominee;
- (5) a five-year business history of the director nominee;
- (6) the amount of common stock of the Company owned by the director nominee;
- (7) whether the director nominee can read and understand basic financial statements;
- (8) the director nominee's other board memberships, if any;
- (9) any family relationships between the director nominee and any executive officer or current director of the Company;
- (10) any business transactions between the director nominee or the candidate's business and the Company;
- (11) a written consent of the director nominee to be named in the Company's proxy statement and to serve as a director if elected; and
- (12) a written consent of the stockholder or group to be named in the Company's proxy statement.

Additionally, any holder of common stock nominating a candidate is encouraged to set forth any other qualifications which he or she believes the candidate has to serve as director of the Company and the reasons why the holder believes the candidate should be elected to the Board. The Board may require the stockholder or nominee to furnish additional information to evaluate the nominee's suitability. In the event a stockholder does not comply with the nomination process described in this Proxy Statement, the proposed nomination may be declared defective and disregarded.

Pursuant to the Company's Bylaws, stockholders who intend to present a floor proposal or director nomination at the 2017 Annual Meeting of Stockholders without including such proposal or nomination in the Company's proxy statement must deliver to the Company notice of such proposal no earlier than January 27, 2017 (approximately 90 days prior to the one year anniversary of this year's meeting) and no later than February 27, 2017 (approximately 60 days prior to the one year anniversary of this year's meeting). The Company reserves the right to reject, rule out of order, or take appropriate action with respect to any proposal that does not comply with these and other applicable requirements.

SECURITY HOLDER COMMUNICATIONS TO THE BOARD OF DIRECTORS

Any holder of common stock wishing to communicate with the Board about any matter involving the business or operations of the Company should send the communication, in written form, to the Chief Executive Officer of the Company at the Company's principal place of business at 5556 Highway 9, Armstrong, Iowa, 50514-0288. The Chief Executive Officer of the Company will promptly send the communication to each member of the Board or, if applicable, specified individual directors.

EXECUTIVE OFFICERS

Carrie Majeski, age 40, is currently serving as our President and Chief Executive Officer. Ms. Majeski joined the Company in April 2004 and was appointed Chief Financial Officer in July 2004, a position she held until January 2012. Ms. Majeski was appointed to the additional roles of President and Chief Executive Officer on October 18, 2007 and to the role of interim Chief Financial Officer in September 2012. She held this interim position until January 22, 2015 when the Company appointed Amber Murra its Chief Financial Officer. Prior to joining the Company, Ms. Majeski was responsible for all of the functions of a controller at Tyco Plastics of Fairmont, Minnesota.

Amber Murra, age 37, is currently serving as our Chief Financial Officer. Ms. Murra served as the Company's Director of Finance from May 27, 2014 until she accepted the role of Chief Financial Officer on January 22, 2015. She previously served as the Company's Director of Finance from April 2007 until December 2010. During her absence from the Company, Ms. Murra worked for Winnebago Industries, Inc., a recreational vehicle manufacturer, as Finance Manager. Over the years, Ms. Murra's responsibilities have included developing accounting processes and procedures, staff development, budgeting, forecasting, cost analysis, financial statement preparation and presentation, capital planning, and cash management.

EXECUTIVE COMPENSATION

The compensation philosophy of the Company is to provide a compensation package to executive officers that will maximize long-term stockholder value. The components of executive officer compensation, including that of Ms. Majeski, who serves as President and Chief Executive Officer, and Ms. Murra, who serves as Chief Financial Officer, are base salary, cash incentive compensation and equity awards.

The Company's policy is to pay base salaries that are at, or near, the average base salary for similar companies. The Compensation Committee annually determines whether to recommend to the Board salary increases for the Company's executive officers, which recommendation is based on current salaries, individual and Company performance during the past year. Other components of officer compensation are generally also reviewed annually.

Beginning in fiscal year 2012, the Board adopted an incentive compensation pool and incentive compensation plans for the Chairman of the Board, Vice Chairman of the Board, Chief Executive Officer, Chief Financial Officer, and certain other key employees. The objectives, and the target incentive compensation thresholds and gradations pursuant to the pool and plans are based on an analysis of market data conducted by the Compensation Committee, along with consideration of the Company's circumstances and opportunities. They reflect the belief of the Board and Compensation Committee that defined annual incentives should be closely aligned with financial performance and opportunities for long-term growth.

Under the approved incentive arrangements, the applicable possible maximum cash incentives for fiscal year 2015 were as follows: Chairman of the Board, \$201,000; Vice Chairman of the Board, \$58,500; Chief Executive Officer, \$107,494; and Chief Financial Officer, \$23,100. The relevant objectives for fiscal year 2015 pertaining to the Chairman and Vice Chairman were earnings per share, increased sales and profit both within and outside of the Company's Manufacturing segment, resolution of issues in the Company's Vessels segment, and successful oversight of other business development activities. The relevant objectives for fiscal year 2015 pertaining to the Chief Executive Officer were related to earnings per share, strategic growth and planning, improvements in delivery, quality and profit at the Company's Armstrong and West Union facilities, resolution of issues pertaining to the manufacturing facility for the Company's International subsidiary and staff development. The relevant objectives for fiscal year 2015 pertaining to the Chief Financial Officer were related to earnings per share, on time reporting of financial and board information, and documentation and testing of controls identified by auditors.

The maximum possible cash incentives for fiscal year 2016 are as follows: Marc H. McConnell, \$200,812 (75% of annual base retainer); J. Ward McConnell, Jr., \$58,012 (65% of annual base retainer); Carrie Majeski, \$107,494 (65% of annual base salary); and Amber Murra \$23,100 (25% of annual base salary). The relevant objectives for fiscal year 2016 pertaining to the Chairman, Vice Chairman, Chief Executive Officer and Chief Financial Officer are achievement of threshold operating income as a percentage of revenue for fiscal 2016 and, if threshold operating income is achieved, the following additional objectives: achieving targeted earnings per share, increasing profit in the Company's Manufacturing segment, growing Art's-Way Scientific (the Company's Modular Buildings segment), reducing consolidated gross inventory, reducing debt, improving customer experience and success in other forward-looking growth and opportunity areas.

Equity awards have historically been the third component of the Company's compensation package for executive officers. Equity awards such as stock options and restricted stock are awarded to provide long-term incentives to align the objectives of executive officers with the interests of stockholders in maximizing long-term growth.

The Company also has a 401(k) Savings Plan which covers substantially all full-time employees, including executive officers. Participating employees contribute to the 401(k) Savings Plan through salary reductions. The Company contributes a discretionary percentage of the 401(k) Savings Plan participants' salary deferrals. The Company typically matches 25% of a participant's contribution for every 1% that he or she contributes, up to 1% of the participant's salary. Management of the 401(k) Savings Plan assets is currently vested with Security National Bank of Sioux City, Iowa. Vesting of participants is 20% per year of employment until 100% vested after six years.

The Company entered into a written employment agreement with Ms. Majeski on December 20, 2011, the provisions of which are consistent with the Company's compensation philosophy. The agreement, which was deemed effective as of December 1, 2011, provides for at-will employment and a base salary to be determined by the Board (or a committee authorized by the Board). Ms. Murra is also eligible to receive incentive compensation, including cash bonuses and equity awards, in the exclusive discretion of the Board (or a committee authorized by the Board), and to participate in any and all other employee benefit plans that are generally available to the Company's employees.

DIRECTOR COMPENSATION

The Company maintains a written director compensation plan. During the 2015 fiscal year, each director, other than the Chairman of the Board and the Vice Chairman of the Board, was entitled to receive a \$30,000 cash retainer for his service as a director during the fiscal year, with no committee or attendance fees pursuant to this plan. The Chairpersons of the Audit Committee and the Compensation Committee were each entitled to receive an additional cash retainer of \$5,000 per fiscal year. The fees in the table below reflect that for the month of November 2015, Director David R. Castle elected to reduce by 20% his cash retainer for his service as a director and his additional cash retainer for serving as Chairperson of the Compensation Committee. Following the Board's October 2015 meeting and effective beginning in fiscal 2016, directors Douglas McClellan, James Lynch, Thomas E. Buffamante, and Joseph R. Dancy have also elected to reduce by 20% their cash retainers for service as a director and any additional cash retainer for serving as a Chairperson. The retainer reductions are voluntary and will remain in place until such time as the directors say otherwise.

In January 2015, the Board appointed Marc H. McConnell as our Chairman and J. Ward McConnell, Jr. as our Vice Chairman, reversing the Board positions each had previously filled. Following the switch, Marc H. McConnell and J. Ward McConnell, Jr. received weighted-average cash retainers and were eligible for weighted-average incentive compensation for the Company's fiscal 2015 performance, as discussed above under "Executive Compensation," based on the number of days served in the respective roles of Chairman and Vice-Chairman. Pursuant to their new roles with the Board, Marc H. McConnell received a pro-rated cash retainer of \$193,375 for fiscal year 2015 and was eligible to receive maximum incentive compensation of \$125,694, which represented 65% of his pro-rated cash retainer. J. Ward McConnell, Jr. received a pro-rated cash retainer of \$163,625 for fiscal year 2015 and was eligible to receive maximum incentive compensation of \$122,719, which represented 75% of his pro-rated cash retainer. The Chairman and Vice Chairman of the Board did not receive a payout of incentive compensation based on the Company's fiscal 2015 performance.

Director retainers are paid quarterly in installments and are prorated to reflect a director who serves for less than a full fiscal year. Directors may, in accordance with certain timing parameters determined by the Board, elect to receive fully-vested restricted common stock in lieu of the aforementioned cash retainers. Any such stock shall be issued under the Company's 2011 Equity Incentive Plan or, if determined by the Board, an applicable successor plan approved by the Company's stockholders. In addition, each director is reimbursed for out-of-pocket expenses to attend all Board meetings and perform other services as a Board member. Director compensation is reviewed annually and adjustments may be adopted by the Board.

For fiscal 2015, the Board-approved director compensation plan provided for annual grants of fully-vested non-qualified stock options to purchase 2,000 shares of common stock, pursuant to the 2011 Equity Incentive Plan. In fiscal year 2015, the annual director stock option grant was made on April 22, 2015 to the directors elected to the Board at the 2015 Annual Meeting. As of February 29, 2016, the Board has amended the director compensation plan to provide for annual grants of 1,000 shares of fully-vested restricted shares of Company common stock on the date of each such Annual Meeting in lieu of the annual grants of fully-vested non-qualified stock options.
